**Sub: Requirement of Certification under the Quality Council of India
(QCI) for various RMC Plants registered with CIDCO.**

Dear sir,

This is to inform you that, CIDCO has decided to implement the newly launched scheme of the Quality Council of India (QCI) for certification of various RMC Plants situated within its jurisdiction.

As per this new scheme, it is mandatory for all RMC Plants to get registered with QCI, an autonomous body set up by Govt. of India to establish & operate national accreditation structure and assure quality in operation and processes of RMC plants.

Accordingly, QCI has approved the following three no. of approved Certifying bodies under the scheme for Certifying RMC Plants.

- i) M/s ICMQ Certification India Pvt. Ltd.
- ii) M/s Bureau Veritas Certification (India) Pvt. Ltd.
- iii) M/s Tata Projects Ltd.

You are therefore, requested to do the needful for obtaining necessary certification from them in respect of **'RMC Capability Certification'** and **'RMC 9000 Capability Certification'** latest by **31.12.2014**.

The QCI certification is mandatory for registering of RMC Plants with CIDCO. Please note that, the agencies having their RMC Plant certified under the scheme of QCI shall only be eligible to participate in CIDCO tendering for all future works. This will be made effective from 01.01.2015.

Please note that, the details of the scheme are available on the QCI website at link <http://www.qcin.org/CAS/RMCPC/>

You are therefore requested to take a note of the above for early compliance.

Thanking you,

Yours faithfully,

Executive Engineer (Quality Control)
CIDCO Ltd, CIDCO Bhavan, 3rd Floor,
