

1st June 2017

PUBLIC NOTICE: DRAFT REVISION OF BMO Accreditation Scheme

The Technical Advisory Committee (TAC) meeting of BMO held on 31st May 2017 has approved the draft revision of the BMO Accreditation Standard. The Major changes are as follows:

1. Removal of duplication of information sought by Merger of similar parameters: 42 Point score card has been reduced to 34 points.
 - a. Nature of Byelaws and Operational System | Accessibility of Byelaws
 - b. Vision | Mission
 - c. Secretariat Staff | Secretariat Office
 - d. Recruitment Policy | Competency Level
 - e. ICT Infrastructure | Infrastructure Upkeep and Upgrade
 - f. Sources of Revenue | Reserve Fund
 - g. Communication System | Communication Outreach | Mode of Frequency
 - h. Liaison With Government & Public Administration | Networking with other BMOs
2. Inclusion of Leadership Clause in Accreditation Standard
3. Inclusion of Management Review - *focus is on the results of internal & external audits, Advocacy status, Status of corrective and preventative actions, Complaints & Enhancement of satisfactory level of members*
4. A New Platinum grade in the rating with the score ranging between 90-100 has been introduced. The purpose is to create a benchmark for a BMO so that they strive to reach at that level and become an example for others.

Accreditation Grade	Existing Score	Proposed Score
Silver	40-59	40-59
Gold	60-79	60-79
Diamond	80-100	80-89
Platinum	X	90-100

5. The Draft revised document is [placed here](#).
6. It will remain in Public review for one month till 30th June 2017.
Comments, if any, on the above document may be sent to pantvc.nabet@qcin.org by 30th June 2017
